Global Catalog

Products submitted by the vendor will be categorized as either Tier I or Tier II under the global catalog.

- Tier I – Tier I products are those that have undergone evaluation by the OET and have the OET and DMPS approval for purchase under the terms of the contract. These products meet the OET standards or recommended guidelines.
- Tier II – Tier II products have undergone review by the OET and have the OET and DMPS approval for purchase under the terms of the contract. Tier II products may not not address a core standard and may not have an approved standard in place.
- Tier II – Tier III products are outside the scope of enterprise standards in place by the OET.
